### **DETAILED ACTION**

This action is responsive to applicants' amendment filed September 8, 2005. The arguments filed therein have been considered and deemed to be persuasive so as to overcome the art rejection in the Office Action mailed June 8, 2005. Therefore said rejection is withdrawn. However, a new ground of rejection is set forth.

### **NEW GROUNDS FOR REJECTION**

#### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 1 preamble recite a device for deploying a clip, yet the body of the claim is directed to a clip per se. The meets and bound of this claim is indefinite since it is not clear whether a clip or deployment device is being claimed.

#### ***Claim Rejections - 35 USC § 102***

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1, 4-5, 9, 10, 14 and 15 are rejected under 35 U.S.C. 102(b) as being anticipated by Yoon (US Patent 5,026,379). The Yoon patent discloses an endoscopic device (10) for deploying a multi-leg clip (178) disposed on the distal end of the endoscope. The clip (178) having a ring portion (180) having a plurality of legs (184,

186) attached to the ring and movable from an open to close configuration and a lock mechanism (188, 189) to restrict the movement of the legs.

***Allowable Subject Matter***

Claims 2-3, 6-8, 11-13 and 16-19 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

***Response to Arguments***

Applicant's arguments with respect to claims 1, 4-5, 9, 10 and 14-15 have been considered but are moot in view of the new ground(s) of rejection.
